

# Summer Teacher Institute Gulf Coast Expedition

**Explore, discover and learn about Matagorda Bay  
where the Colorado River meets the Gulf of Mexico**

**June 29-30, 2010**

The workshop is open to all current and previous Groundwater to the Gulf participants and will include presentations and field investigations to enhance your knowledge about the lower Colorado River and Matagorda Bay. SBEC (15 hrs) credit is available for teachers.

Our ultimate destination will be the LCRA Matagorda Bay Nature Park ([http://lcra.org/parks/developed\\_parks/matagorda.html](http://lcra.org/parks/developed_parks/matagorda.html)) located on the mouth of the Colorado River on the Matagorda Peninsula. Hands-on exploration of the river and coastal marshes will take place by kayak and in the classroom.

**Prerequisite:** must have attended a previous Groundwater to the Gulf Teacher Institute (or attending the 2010 institute).  
Registration limited to 35.

**Fee:** \$50. Activity fees and lunches included. (Transportation, lodging and other meals is the responsibility of the workshop participant.)

**Registration & Payment Due Date:** June 10, 2010

**For more information** and to request a registration packet, contact:  
Karen Marks, TPWD Phone: 512-389-8833
