

# KAB'S ANNUAL CITYWIDE CLEANUP!

## WHAT?

**Clean Sweep** is a network of litter cleanups taking place all over Austin, followed by a **HUGE party at Waterloo Park** with music, event t-shirts, free lunch, a rock climbing wall, kid's activities, door prizes, environmental exhibits, and more.

- KAB can help organize **your** cleanup event – all you need to do is select the location, bring the volunteers and pick up the litter!
- If you don't have a location we have lots of spots around town for you to help at!
- We'll give you supplies and arrange for the trash bags to be picked up.

*Please note this is a litter cleanup – no bulky items or household hazardous waste can be collected. Contact KAB to get information on how to dispose of these items.*
